## অধ্যক্ষের বার্তা / PRINCIPAL'S MESSAGE

---

Ahana is an art related annual academic Journal of Govt. College of Art & Craft, Agartala, Tripura and we are going to publish the current issue of this Journal very shortly like previous years. This is first time an e-Journal edition of Ahana is also publishing in online platform from this year. The main objective of publishing this e-journal is to reach more and more readers. I hope, we will achieve our goal and put an impact on the society of art. It is a matter of great satisfaction to us that many eminent artists, art historians, art critics, art connoisseurs of our country and also abroad are always cooperating to make this journal more beautiful and rich. We are dedicating this issue to the founder principal of our college Dr. Sumangal Sen.

In this auspicious moment, I want to take this opportunity to express my thanks and gratitude to our Hon'ble advisory board members of Ahana for their valuable guidance. I am also expressing my gratitude to our valued writers whose contributions have enriched this issue. Our Editorial Board members of Ahana have performed their responsibility very seriously so, I am also grateful to them.

We believe that in the near future we will be able to take Ahana to a higher place through the joint efforts of all. I wish whole heartedly its overall success.
